

ECO Premium Pallet Truck

MOBILE

The ECO line of Pallet Trucks is available in a multitude of standard and custom fork lengths and widths. All sizes feature a high quality pump for long life and easy field servicing. Durable, versatile and easy to use, its ergonomic design reduces operator fatigue and downtime.

With many standard and custom fork dimensions, the ECO line of Premium Pallet Trucks is designed to handle pallets of all shapes and sizes; offers 200 degree handle pivot for exceptional manoeuvrability in compact areas; comes with standard polyurethane wheels and rollers for rolling ease; features a powder coat finish; robotic welds throughout; and grease fittings at all pivot points for easy maintenance.
