• 3-Position Finger Tip Control • Nylon Steer/Load Rollers • Adjustable Push Rods*

*Galvanized or Stainless Steel based on model

**Cushioned Handle for Galvanized unit only

The ECO I-55 Galvanized and Stainless Steel Pallet Trucks are the ideal choice for Clean-Room or Cold-Room environments, highly corrosive chemical applications, or applications where the unit requires regular wash downs. Hygienic, durable and easy to clean, the ECO I-55 Galvanized and Stainless Steel feature a 100% Galvanized or Stainless Steel Pump, Handle, Frame and components, and grease fittings at all pivot points for easy maintenance. They also feature an ergonomic design that reduces operator fatigue and downtime. The 200 degree handle pivot provides exceptional maneuverability in compact areas and it comes with standard nylon wheels and rollers for rolling ease.
