

*Please reference which fork width is needed for your roll diameter

Roll Diameter	16" - 24"	24" - 31.5"	31.5" - 47"	47" - 63"
Overall Fork Width	30"	33.5"	39.4"	45.3"

ECO ERT ROLL TRUCK

FEATURES: Formed C-Channel Steel • Inverted "V" Shaped Forks for Handling Rolls, Reels, Drums and more
 • Quality German-Designed Pump • Heavy-Duty Thrust Plate • Ergonomic Cushioned Handle • 3-Position Finger Tip Control • Polyurethane Steer Wheels/Load Rollers • Adjustable Push Rods • High-Quality Powder Coat Finish

The ECO ERT Roll Truck is designed to cradle paper, plastic, and rolls of various shapes and sizes. It offers the same durability as the ECO I-55, but its inverted "V" fork design lifts and transports the rolls while protecting them from damage. Like the standard ECO I-55, the ECO ERT offers 200 degree handle pivot for exceptional maneuverability in compact areas; comes with standard polyurethane wheels and rollers for rolling ease; features a powder coat finish; robotic welds throughout; and grease fittings at all pivot points for easy maintenance.
