

COMPARISON GUIDE

Self-Propelled Pallet Trucks

EFET26N - Electric Pallet Truck

Compact and smart design • Low service weight • Low noise/high quality Drive Motor tailored for downtown light-duty applications with tail-lifts • Powerful 45Ah Maintenance-free AGM Battery • Less service cost/minimal wiring • Ergonomic tiller with Battery Discharge Indicator

Self-Propelled • Pedestrian • Battery Lift • Manual Lowering • Capacity: 2,640 lbs
Service Weight: 375 lbs • Lift Height: 7.8" • Lowered Height: 3.34" • Overall Length: 66"
Overall Width: 21" • Turning Radius: 58" • Fork Length: 45" / 48" • Width Over Forks: 21"
Lift Motor Rating at S3 10%: .45kW • Battery: 2 x 12V/45Ah • Battery Weight: 62 lbs

EFET33N - Full Electric Pallet Truck

Ideal for Light Duty Applications on lorries and tail-lifts • Built-in Charger Battery Discharge indicator with automatic lift cut-off function • Stabilizer casters
Optional: 85 Ah Battery

Self-Propelled • Walkie-Electric • Battery Lift • Manual Lowering • Capacity: 3,300 lbs
Service Weight: 440 lbs • Lift Height: 7.6" • Lowered Height: 3.1" • Overall Length: 68"
Overall Width: 28" • Turning Radius: 61.2" • Fork Length: 48" • Width Over Forks: 20.5" / 27"
Lift Motor Rating at S3 10%: .45kW • Battery: 2 x 12V/64Ah • Battery Weight: 105 lbs

ESET33N - Semi-Electric Pallet Truck

Ideal for Light Duty Applications on lorries and tail-lifts • Built-in Charger Additional entry rollers ensure easy pallet entry • Robust chassis with reinforced fork structure • Battery Discharge indicator with automatic lift cut-off function • Stabilizer casters • Optional: 64 Ah Battery

Self-Propelled • Manual-Lift/Lower • Capacity: 3,300 lbs • Service Weight: 386 lbs
Lift Height: 7.5" • Lowered Height: 3.34" • Overall Length: 68" • Overall Width: 28"
Turning Radius: 59" • Fork Length: 48" • Width Over Forks: 20.5" / 27"
Lift Motor Rating at S3 10%: .45kW • Battery: 2 x 12V/40Ah • Battery Weight: 66 lbs

COMPARISON GUIDE

Self-Propelled Pallet Trucks

ESPT44N/RN · Ride-On Pallet Truck

AC drive system • Optional EPS–electric steering system • Optional foldable platform with protective arms • 9.1" US tailored battery compartment • US tailored fork chassis with short fork–over hang • Key switch/emergency switch/battery discharge indicator

Self-Propelled with/without Ride-on Platform • Capacity: 4,400 lbs • Service Weight: 1,345 lbs
Lift Height: 4.7" • Lowered Height: 3.26" • Overall Length: 73" • Overall Width: 29"
Turning Radius: 68" • Fork Length: 48" • Width Over Forks: 21.25" / 27"
Lift Motor Rating at S 15%: .8kW • Battery: 24V/175Ah • Battery Weight: 440 lbs

ESPT44WLH · Long Handle Walkie Pallet Truck

Long Handle design for Ergonomics and Safety • German AC Drive Technology
Top Quality Brand Components (using high quality core components): Reliable multi-functional REMA tiller with ergonomic contactless rocker/switches, Top quality Schabmueller AC Drive Motor, Kordel Gearbox, Intorque Brake, Wicke Drive Wheel, Zapi Controller

Self-Propelled • Walkie-Electric • Battery Lift • Capacity: 4,400 lbs • Service Weight: 1,177 lbs
Lift Height: 7.8" • Lowered Height: 3.3" • Overall Length: 68.3" • Overall Width: 28.7"
Turning Radius: 58.6" • Fork Length: 45.2" • Width Over Forks: 21.25" / 27"
Lift Motor Rating at S3 10%: .8kW • Battery: 210V/Ah • Battery Weight: 473 lbs

HESPT60N · Heavy Duty Pallet Truck

AC drive system • Comfortable Operator Platform • Heavy Duty Load Backrest
Key switch/emergency switch/battery discharge indicator • Grab Bar with electric controls • 24 Volt Electrical System • Standard Battery Compartment Size

Self-Propelled • Walkie-Electric • Ride-on • Battery Lift • Capacity: 6,000 lbs
Service Weight: 2,330 lbs • Lift Height: 5.9" • Lowered Height: 3.25" • Overall Length: 91"
Overall Width: 37.8" • Turning Radius: 84.4" • Fork Length: 48" • Width Over Forks: 22" / 27"
Lift Motor Rating at S3 4.5%: 3HP • Battery: 24V/350Ah • Battery Weight: 704 lbs
