

PARTS BREAKDOWN

CBSN SERIES STACKER

VERSION	FEBRUARY 2024
MODEL	CBSN SERIES COUNTER BALANCE STACKER
APPLICABLE PRODUCTS	CBS20N, CBS35N, CBS39N

NOTE: Please read and understand the safety instructions prior to use. Please save for future reference.

Please order parts from authorized dealers of this manufacturer.

In order to avoid wrong delivery, all the orders for spare parts should specify the following items:

- Truck model, identification number and manufacture year.
- Orders for spare parts of mast, hydraulic transmission unit, steering axle, motor, etc. shall indicate the manufacture number of these parts.
- Codes for our company spare parts are shown in the table of parts manual.

Please also pay attention to the description of supply status, order quantity, etc. (check the number listed in "Mark" column of the parts manual).

"Mark" Column:

The unmarked indicates the parts are in short supply cycle.

Number 1: supply as package. Indicating these that parts are small parts and seal parts, which are supplied in package unit and in short supply cycle.

Number 2: supply with constraints. Indicating that these spare parts are not in stock and will be prepared for production after receiving the order from customers, which are in long supply cycle.

Number 3: phasing-out supply. Indicating that these parts will be replaced by new parts due to technical improvements and the current stock will not be available when these parts run out. Please check the description of technical improvements notice.

Number 4: supply as assembly. Indicating that these parts are assembly parts defined by manufacture process, which cannot be supplied as a single part.

Number 5: check other tables.

This parts manual is the property of this manufacturer and can be shared under the confidential agreement only, this manufacturer has the right to claim for compensation of any unauthorized use. Copy without permission is not allowed. Figures in the manual are not limited by the original design. This manufacturer reserves the right to improve the products for continuous technology progress.
